

# Myeloma Information Day

Myeloma Australia in conjunction with Liverpool Hospital is delighted to invite you to an information morning for people living with myeloma, their family and friends. This is a great opportunity to learn more about myeloma while connecting with other members of the myeloma community.

## Guest Speakers include:

### Dr Silvia Ling: Myeloma Overview and New Drugs

Dr Silvia Ling is Senior Staff Specialist in Haematology in Liverpool Hospital, consulting rooms in Liverpool Hospital, Bowral and Chatswood. She is a Conjoint Senior Lecturer of the University of Sydney, UNSW and Western Sydney University. She is the head of the Haematology Research Group in the Ingham Institute of Applied Medical Research and has a special interest in Multiple Myeloma and drug resistance. She is a member of Myeloma Australia's Medical Scientific Advisory Group (MSAG).

### Steve Roach & Nella Combe: Myeloma Australia Update

Steve Roach has been the CEO of Myeloma Australia since 2010, member of the International Myeloma Foundation's Global Myeloma Action Network and Global Advocacy Advisory Boards of Amgen and BMS. Nella Combe is the Support Nurse co-ordinator at Myeloma Australia and a haematology nurse at the Peter MacCallum Cancer Centre.

**Topics to be discussed include understanding myeloma and new therapies, transplantation, managing side effects and a Q&A panel.**
