

Myeloma Update La Trobe University Bundoora & Bendigo

Myeloma Australia would like to invite you to the annual La Trobe University Myeloma Update, for people living with myeloma, their family and friends. A great opportunity to learn more about myeloma from experts, while connecting with other members of the myeloma community. This event will be held live in Bundoora, and **video linked** to Bendigo. Morning tea provided.

Speakers:

Professor Miles Prince: ** A myeloma overview, and treatments on the horizon**

Director, Centre for Blood Cell Therapies, Peter MacCallum Cancer Centre.
Professor/Director, of Molecular Oncology and Cancer Immunology, Epworth Healthcare. Chairman of Myeloma Australia's Medical and Scientific Advisory Group.

Andrew Smith: ** Physical health and energy in myeloma**

Health and Wellbeing Manager, OnTrac at Peter MacCallum Cancer Centre.
Occupational Therapist and Clinical Lead, Cancer Rehab Melbourne.

Date: Saturday 25th November, 2017

Time: Registration: 9:00am
Seminar: 9:30am-12:15pm
