During National Myeloma Awareness Month the Leukaemia Foundation and Myeloma Australia will highlight myeloma awareness and education in Australia. We'll be focussing on topics such as current myeloma management, the impact of research for expanding treatment options, and maximising wellness. We look forward to connecting with you.

Guest speakers:
Dr Cecily Forsyth - Haematologist
Dr Alison Lyons - Haematologist
Louise Cowdery - Social Work
Kathleen Rooney - Psycho oncology
Jacqui Jagger - Nurse Practitioner
