SAT  
NOV 2  
2019

**Free event - Bookings essential**

Myeloma Australia is delighted to invite you to a free educational seminar for people living with myeloma, their family and friends. This is a great opportunity to learn more about myeloma while connecting with other members of the myeloma community.

### Speakers:

- ◆ Dr Jason Butler - *Clinical Haematologist / Bone Marrow Transplant Specialist*
- ◆ Professor Liz Isenring - *Professor / Head of Program, Nutrition & Dietetics*
- ◆ TBA - *Yet to be advised*

**Dr Jason Butler**  
RBWH and ICON Cancer Centre

Dr Butler divides his time as a senior staff clinical haematologist at RBWH and haematology consultant at ICON Cancer Centres. His wealth of experience with myeloma and bone marrow transplants will ensure an informative session overviewing myeloma, it's current and emerging therapies.

**Prof Liz Isenring**  
Bond University

Professor Isenring is heads the Nutrition and Dietetics programs at Bond University and is internationally recognised in oncology nutrition. She is a leading nutrition and dietetics academic and an Advanced Accredited Practising Dietitian. She will discuss the importance of good nutrition in the setting of myeloma.
