

How I Provide Care in ndMM

Invitation

Bristol Myers Squibb Australia is pleased to invite you to join our new educational platform, **HaemHQ**, and participate in our upcoming meeting **“Nurse Academy 1: How I Provide Care in ndMM”** on **Thursday 22nd October at 8:00 pm (AEST)**.

International and local multiple myeloma experts will share their strategies to treating and managing ndMM with the new standards of care¹, Rvd and Revlimid Maintenance, which have both been reimbursed in Australia earlier this year.

Nurse Academy 1 will feature two 30 minute presentations followed by a 30 minute panel discussion chaired by Australian myeloma clinical nurse consultant, Hayley Beer. Ask questions live during the discussion or submit them prior to the meeting.
