Myeloma Australia Information & Support Group Agreement

- This is a group for new and existing members, including people with myeloma, carers, or support people, at any stage of the myeloma journey
- This is a safe and confidential space, things discussed are not shared outside the group.
- The group is encouraged to enable a positive space that promotes learning, connection, sharing of experiences and information with the guidance of the Specialist Myeloma Nurse.
- Group members are respectful and courteous of each person's choice to participate in discussion or not and are inclusive.
- Group members recognise the individuality of each person's myeloma journey and are respectful of other's feelings and views.
- The group agrees not to speak disrespectfully of any member of the myeloma community including health professionals, health services or institutions.
- In online meetings, group members will be dressed appropriately and be in a space that is quiet and has an appropriate background.
- In online meetings, it is not appropriate for third parties to be listening in from the background or off camera.
- Group members will do their best to arrive on time to the meeting.
- Group members will not record any portion of the meeting, including but not limited to taking screenshots, videos or audio.
- Group members will not participate if intoxicated and the consumption of alcohol or drugs during the meeting is not permitted.
- Should any member wish to discuss anything outlined above or raised during the meeting, a private discussion with the Specialist Myeloma Nurse should be arranged.
